ratiroad companies in the country are all entraging each other in their efforts to adthe interests of their employes These good works are b-nefiting the corporations as well as the men, by creating in the latter a greater faithfulness and efficiency. The great hospital of the Gould system at Fort Worth, Tex. which is to doet in the neighorboad of \$75,000, will spon be commenced d will be of loca culable value to the sick and injured men in the employ of the company in Texas. This is he third hospital of this system, the Missouri Pacfir having one at Sedalia and the Iron Monutain one at this city. The Sunset route will soon commence work on its hospital building at San An-tonio, which is to cost \$150,000. At this in-struction, located in such a salubrious city, tients from all along the ime, from El Paso New Orlesos, will be treated. O her railroad corporations also have their eleemo-synary institution; whose work is kind and great, and whose influence, already large, must constantly increase. There is not the same necessity for railway hospitals in the East as in the West, but in the former the athropic endeavors will take other di We im and will result in equal good to the class for whese benefit they were designed.

CONDITION OF THE RIVERS. The Signal Service r port printed below ives very meager detail. I the condition the upper streams—the few points menioned only giving the stage of water, to which we have added the changes by comparison with Thursday's Associated Pre ispatches. At this point the river rose 7 ches, with a 3-inch rie at Cairo. No Press dispatches were received from other points by which yesterday's report could be impared, excepting from Pittsburg, where inches decline is reported. The later dipatches received after this writing may hrow some additional light on the doings of the tides at other points.

FUTURE MOVEMENTS THE Cons Millar, Capt. Joseph D. Moore the Tuesday packet for Cincinnati. THE Rene Macready, Capt. O. K. Joplie, the Tuesday packet for St. Francis river. THE Ida Darregh, Capt. Ed Nowland, is the Tuesday packet for all points on Arkanas river.

to Hard Times or Vicksburg. THE Supervising Inspector General of Steambouts has received reports for the last half of the fiscal year from the Fourth, Fifth, Seventh and Eighth steambout districts. The palance will arrive in a few days, when a the past year will be prepared. Inspector Febreubatch's report is the only one yet re-ceived showing a loss of life, and that but

two. The large reduction in the number of accidents is very gratifying, as it shows the high de ree of perfection attained in the serment July 1st between the boats that consti-tute the big "O." line, the Evansville Journal ventures to hope that they will start out in the fall with a new organization and a good season, and applies to their case the advice given by the Apostle Paul to Galatians: "For, brethren, ye have been called unto libror, orethree, ye have been called unto lib-erty; only use not liberty for an occasion to the first, but by love serve one another. For all the law is fulfilled in one word, even thus: thou shalt love thy neighbor as thy-self. But if ye bite and devour one another, take heed that ye do not consume one another. Let us not be desirous of vain

glory, provoking one another, envying one The New Jonie Harry. As per agreement between Capt, Milt Harry, of the Josie Harry, and Capt. Ed Postal, of the Hard Cash, the Josie Harry will take her departure for White river at the usual bour this evening, and will be the only packet running up that stream until about the lat of September. This agreement was entered into some time ago when the Hard Cash was left to handle all the business in that stream while the Joyie laid up

for repairs and repainting. That work hav-ing been done, now the Hard Cash goes to book for the same purpose, and the Josie re-sumes to-day as above stated. Of the Josie Can be soft a with a set if a work as well as set of the season of rest every timber has been acrutinized, her etaserooms thoroughly overhanded, and from top to water to see it set is the standing of the season of rest every inch of a pace.
